Dumpster Treatment

Dumpster Cleaner and Odor Eliminator
Dumpster treatment can be used on any dumpster or other trash receptacle. Excellent clinging foam provides extended contact for maximum cleaning. Regular use will also eliminate any malodors. Can also be used on trash chutes and loading docks.

Features

Rich clinging foam for extended cleaning and odor control
Triple odor control, fragrance, malodor counteractant and probiotic bacteria fight odors long after initial application
Use with Betco's manual and foaming applicators for maximum performance.
