WHAT

BlueEvolution
POWER STEAM TO BUSINESS

Our Certifications:

Because growing profits
and beating rivals is the game.

Innovation That Wins Customers

A clean that feels better, without chemicals,
and **shows you care.**

And Beat Competitors

Not with lower prices, but with a superior
and more pleasant place to stay.

Hygiene, Sustainability, Simplicity

All in One Smarter Solution.

WHY

WHAT

The All-In-One Cleaning Solution For Janitorial

With a single technology you can **steam, sanitize, vacuum** and **clean all surfaces**.
Only steam, no chemicals, no hassle.

The Only System with a Germicidal Water Filter

Blue Evolution is the only steam cleaning vacuum system with a built-in germicidal water filter and UV light — ensuring that no dirt or bacteria are released back into the air.

Made for the USA market.

GERMAN engineering.

ITALIAN craftsmanship.

Office Area

Restrooms

Total hygiene, across every space.

WHERE

High Traffic Area

Kitchen & Dining

Office Area

Surfaces and edges sanitized in seconds: no grime left behind, **99.9% of germs gone!**

Office gyms **sanitized easily**: floors and gear cleaned with no chemical residue!

Upholstery refreshed in minutes: stains gone, colors revived, **ready to use!**

Carpet stains removed with dry steam: no residue, no damage, no reappearing spots!

Restrooms

HOW

From dirty grout to hygienic floors: the steam dissolves the dirt and the vacuum quickly removes it, leaving the surface clean and dry!

Seats, bowls and buttons—cleaned without touching the surface.

Clean and renewed grout lines done effortlessly!

Fingerprints gone, no more streaks: mirrors cleaned in one pass, dry and spotless!

High Traffic Area

Elevators cleaned top to bottom: steam kills germs on buttons, floors, and walls!

Waiting areas kept truly clean: seating and handrails **sanitized in every corner!**

Desks, tables, chairs cleaned faster: one system, zero chemicals, **better hygiene!**

Steam-powered carpet cleaning: **deep hygiene** with **no chemical residues left behind.**

Kitchen & Dining

HOW

Dirt and grease gone in minutes: floors dry, safe and clean again!

From sticky to sanitized: tables and countertops cleaned fast with steam!

Kitchen walls without streaks. Steam, sanitize and vacuum with zero cross-contamination.

Safe deep cleaning for wood and vinyl surfaces.
