## Kitchen & Freezer Area

## Restroom / Bathroom

Total hygiene, across every space.

# WHERE

Food Truck & Catering

Dining Area

# Restroom / Bathroom

From dirty grout to hygienic floors: the steam dissolves the dirt and the vacuum quickly removes it, leaving the surface clean and dry!

Toilet seat & hinges cleaned in depth! **No cloth, no chemicals**, just pure steam precision.

No more partition walls & urinal dividers by hand: steam & vacuum will leave the **walls dry, clean and sanitized**.

## Spotless in One.

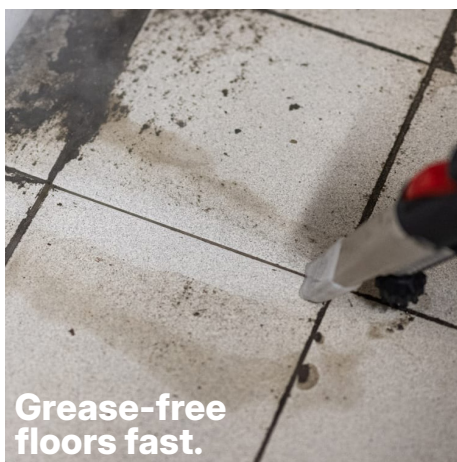

Fingerprints gone, no more streaks: mirrors **cleaned in one pass, dry and spotless!**

# Kitchen & Freezer Area

# HOW

**Grease-free  
floors fast.**

**Grime and grease gone in minutes:**  
floors dry, safe and clean again!

**No smears, no germs:**  
stainless steel sanitized without chemicals!

**Steam-clean, no drips.**

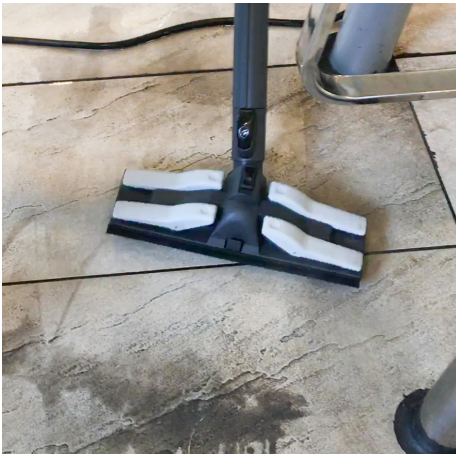

Leaves the hoods spotless in seconds. Steam  
melts the grease **without dirty water dripping  
below.**

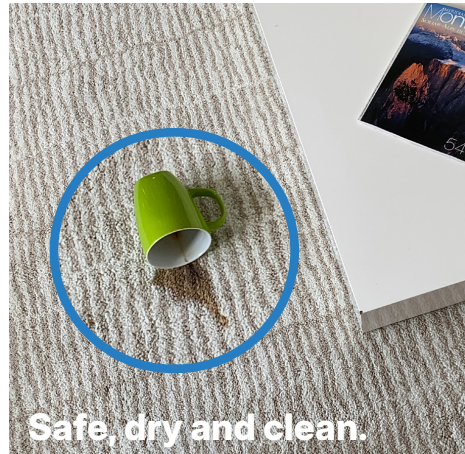

Clean freezer rooms **at below freezing  
temperatures:** no ice, no downtime, just  
clean floors!

# Dining Room

From dirty to safe floors and between shifts in dining areas: **dry steam cleaning refreshes your space!**

**Safe, dry and clean.**

**No stains and no damage:** carpets cleaned with dry steam & extraction without chemicals!

## Fresh. Bright. Ready.

Upholstery, chairs & sofas **refreshed in minutes:** stains gone, colors revived and ready to use!

**From sticky to sanitized:** tables and countertops cleaned fast with dry steam!

# Food truck & Catering

# HOW

Rental equipment & food trucks cleaned fast: grease and **germs gone** with minimal effort!

No more scrubbing oven walls: grease melts away instantly. **No risk of contamination!**

## Clean equipment fast.

Make food catering equipment easy to clean: **no more** hidden grease, unreachable parts or **wasted hours.**

From grease to go: **hood cleaning done fast**, so you're back on the road.

# Patented in the USA

**World's First Steam + Vacuum + Water Filtration  
+ UV Cleaning System**
