

PRODUCT SPECIFICATION SHEET

Nitrile General Purpose Gloves

- Item No. INDBKN35SM (Small)
- Item No. INDBKN35MD (Medium)
- Item No. INDBKN35LG (Large)
- Item No. INDBKN35XL (XL)
- Item No. INDBKN352XL (XXL)

Description:

INDIVIDUAL Nitrile General-Purpose Gloves are an excellent choice for light-duty tasks in foodservice, cleaning, and other industries. They offer excellent touch sensitivity, enabling detailed and precise work. INDIVIDUAL gloves are a valuable investment in both worker safety and quality control. They are designed to ensure safe food handling, contributing to a clean and healthy food environment. The gloves are made from component materials that comply with FDA Rule 21 CFR 177.2600 for food contact. They also provide a strong barrier against many cleaning chemicals. Before use, users should verify the specific chemical resistance properties for their intended application.

Features & Benefits:

- **General-Purpose Grade** - Meets professional standards for foodservice, cleaning, and other light-duty tasks.
- **Strong and Durable** - Resilience to tears and punctures found in most light-duty tasks.
- **Exceptional Fit, Dexterity, and Comfort** - Provides a snug fit with excellent tactile sensitivity.
- **Touchscreen Compatible** - Use devices effortlessly without removing gloves.
- **Latex- and Powder- Free** - Ideal for individuals with latex allergies or sensitivities. Not made with natural rubber latex.

Ideal for use in:

- Foodservice, food preparation, cleaning, janitorial, light-duty tasks
