## PRODUCT ICONS

Product Category:

**CARPET**

---

## ITEM #KL-FCCCEX1 (1-GALLON BOTTLE - FOUR PER CASE)

Renews Carpets with Difficult Stains and Soils - This highly concentrated, low-foaming extraction solution is formulated to quickly penetrate and lift out grease and grime. Contains a powerful blend of special surfactants and nonflammable solvent that will quickly loosen and emulsify a variety of soils from both natural and synthetic fibers.

### PRODUCT FEATURES

- » Simplifies stain removal - detergent solvent blend removes most stains
- » Labor saving - Fast solvent actions quickly emulsifies the worst "ground in" soil problems.
- » Economical - highly concentrated formula

## PRODUCT SPECIFICATIONS

Brand	KleenLine PRO
Product Category	Carpet
Color	Straw
Fragrance	Cherry
pH	13.0 - 13.6
Detergency	Excellent
Foam height	Low
Rinsability	Very good
Viscosity	--
Specific gravity	1.06
Packaging	1 Gallon
UPC barcode	810037736397

## INGREDIENTS

Water (7732-18-5); Ethoxydiglycol (111-90-0); Sodium Orthosilicate (1344-09-8); Sodium Hydroxide (1310-73-2); Sodium Tallate (61790-45-2)  
**No Phosphates**

## DIRECTIONS

Product can be used in extraction equipment or as a prespray. Use of defoamer is not required unless carpet is over saturated with chemical. Hot water is recommended but not required. Use furniture protectors under legs of furniture replaced on damp carpet. Always test for colorfastness in a small inconspicuous area prior to use.

Prespray: Add 8oz of product per gallon of water. Apply at the rate of 50 – 100 sq. ft./gal. of diluted solution depending on nap and soil conditions. Allow this product for emulsify soil for 3-5 minutes and clean with normal methods.

Portable Extraction Machines: Vacuum area to be cleaned. Add 1oz product per gallon of water. Use wand or portable extractor over area being cleaned. Pick up cleaning solution and soil by moving wand or portable extractor back and forth three or four times over area sprayed. Overlap previously cleaned area slightly. Apply carpet fan/dryer for faster dry times. Allow drying.

## EXPERTLY DESIGNED FOR PROFESSIONALS!

KleenLine® is an exclusive BradyPLUS product line for the Facility Care market. The wide range of products enables customers to meet budget and cleaning objectives and solve all cleaning challenges from the simplest to the most complex. KleenLine® provides quality tools and solutions that are built to withstand the demands of the professional and assist with doing the job more effectively and efficiently.
