Packaging	1 Gallon Bottle, 1 Quart Spray Bottle
UPC barcode	810037735604, 810037735611
Certifications	--

INGREDIENTS

Water (7732-18-5); Sodium Hydroxide (1310-73-2); Disodium Cocoamphodipropionate (68604-71-7); C9-11 Alcohols Ethoxylated (68439-46-3); Gluconic Acid (526-95-4) **No Phosphates**

DIRECTIONS

For use on ovens, grills, stoves, fryers, and burners.

FOR HEAVY DEPOSITS OF BURNT-ON CARBON AND SOIL: Spray or brush on full strength and let stand 15-30 minutes. Flush residue with water. Stubborn stains may require burnishing with steel wool.

FOR LIGHT DEPOSITS AND REGULAR CLEANING: Dilute with equal parts of water. Spray or brush on, let stand 15 - 30 minutes and flush with water.

NOTE: DO NOT USE ON ALUMINUM OR PAINTED SURFACES. Always clean surface when cool.

DEEP FAT FRYERS: Drain fryer and mop all excess grease with paper towels. Fill fryer with water 4 inches from the top. Add 6 - 8 ounces of cleaner for each gallon of water in fryer. Heat to a gentle rolling boil for 20 - 30 minutes. Brush sides where liquid does not touch. Drain and rinse thoroughly.

NOTE: All equipment or surfaces subject to direct contact with food should be thoroughly rinsed with potable water following use. Avoid contamination of food in the application and storage of this product.

EXPERTLY DESIGNED FOR PROFESSIONALS!

KleenLine® is an exclusive BradyPLUS product line for the Facility Care market. The wide range of products enables customers to meet budget and cleaning objectives and solve all cleaning challenges from the simplest to the most complex. KleenLine® provides quality tools and solutions that are built to withstand the demands of the professional and assist with doing the job more effectively and efficiently.
