### PRODUCT ICONS

Product Category:

**CARPET**

---

### ITEM #KL-FCCSH1 (1-QUART BOTTLE - TWELVE PER CASE)

Spot and Stain Remover - High performance, ready to use, all-purpose spotter combines detergent and deodorant to remove most commonly found spots and stains. Low residue formula and special surfactants help prevent reappearing spots. Removes the toughest stains, including older ones; and is safe for use on most carpets and linens including wool, nylon, rayon and other natural and synthetic fibers.

#### PRODUCT FEATURES

- » Versatile - Removes most common stains
- » Quickly unlocks soil from fibers
- » An effective spotter for use in health care setting against betadine and iodine stains

## PRODUCT SPECIFICATIONS

Brand	KleenLine PRO
Product Category	Carpet
Color	Clear
Fragrance	Pleasant
pH	8.0 - 9.0
Detergency	Excellent
Foam height	High
Residue	--
Relative density	1.00432
Packaging	1 Quart
UPC barcode	810037736649

## INGREDIENTS

Water (7732-18-5); Sodium Thiosulfate (10102-17-7); Dipropylene Glycol Methyl Ether (34590-94-8); Propylene Glycol Butyl Ether (5131-66-8); Sodium Lauryl Sulfate (68585-47-7); DMDM Hydantoin (6440-58-0), **No Phosphates**

## DIRECTIONS

Recommended for use on all types of carpet, fabric and upholstery. Always test first in an inconspicuous area. Apply a small amount, press with an absorbent, white cloth for 10 seconds and see if there has been any dye transfer. Special precautions are necessary if the stain has been caused by animal urine. The urine may affect the color fast nature of the dye used in the carpet.

**FOR NORMAL SPOTTING AND STAIN REMOVAL:** Apply using a trigger sprayer to saturate the fibers. Wait a few seconds for the spotter to penetrate and break up the spot or stain. Agitation may be used with a bone scraper or carpet brush. Work from the outside to the center, blot with an absorbent white cloth (avoid rubbing). Pick up the spotter solution as quickly as possible. Extraction or rinsing with clean water may also be performed. Care should be taken to prevent overusing the product or over saturation of the carpet.

## EXPERTLY DESIGNED FOR PROFESSIONALS!

KleenLine® is an exclusive BradyPLUS product line for the Facility Care market. The wide range of products enables customers to meet budget and cleaning objectives and solve all cleaning challenges from the simplest to the most complex. KleenLine® provides quality tools and solutions that are built to withstand the demands of the professional and assist with doing the job more effectively and efficiently.
