

Maximum Duty Stripper

PRODUCT ICONS

Product Category:
FLOOR CARE

ITEM #KL-FCHFST4 (1-GALLON BOTTLE FOUR PER CASE) ITEM #KL-FCHFST5 (5-GALLON BAG IN BOX)

Aggressive No-Rinse Stripper - Maximum Duty Stripper can be used on hard surface floors in a range of dilution ratios depending on the job. It is designed to remove layers of floor finish in less time and effort. No rinsing required. No alkaline residue. Low foaming.

PRODUCT FEATURES

- » Powerful formula - Removes layers of old finish in minutes
- » Time saving - Rinse free with no alkaline residue
- » Low foaming

PRODUCT SPECIFICATIONS

Brand	KleenLine PRO
Product Category	Floor Care
Color	Amber
Fragrance	Sweetish. Spicy
pH	13.5 - 14.0
Detergency	Excellent
Emulsification	Excellent
Foam height	Low
Wax removal	Complete
Metal interlock removal	Complete
Wetting	--
Relative density	1.002
Coverage	1,500-2,000 sq. ft. per gallon*
Packaging	1 Gallon, 5 Gallon
UPC barcode	810037736557, 810037736304

INGREDIENTS

Water (7732-18-5); Butoxydiglycol (112-34-5), Ethanolamine (141-43-5), Sodium Metasilicate (6834-92-0), Sodium Xylene Sulfonate (1300-72-7)

DIRECTIONS

Recommended for removing water-based acrylic floor finishes from all types of resilient tile and hard surfaces. Pre-test in a small area; color bleeding or discoloration may occur on linoleum, rubber tile or asphalt tile. Not recommended for stripping linoleum or sheet vinyl floors. Sweep or dust mop the floor to remove any large debris. Dilute with warm to hot water. For normal stripping, dilute 13 oz./gal. or 100 mL/L (1:10) of water. For heavy stripping, dilute 25 oz./gal. or 200 mL/L (1:5) of water. Apply solution liberally to floor surface. Allow a minimum of 5 minutes contact time. Be sure to keep surface wet at all times. Agitate with a low-speed rotary machine, automatic scrubber or stripping machine. Pick up the solution with a wet vacuum, an automatic scrubber or a mop and bucket and thoroughly rinse the floor. Allow floor to dry completely before applying finish or sealer. No flood rinsing is necessary if surface appears free of dust and residue. Please recycle empty container.

*This is typical coverage for these products. Actual coverage depends on the porosity and other characteristics of the surface being stripped.

EXPERTLY DESIGNED FOR PROFESSIONALS!

KleenLine® is an exclusive BradyPLUS product line for the Facility Care market. The wide range of products enables customers to meet budget and cleaning objectives and solve all cleaning challenges from the simplest to the most complex. KleenLine® provides quality tools and solutions that are built to withstand the demands of the professional and assist with doing the job more effectively and efficiently.
