

HAND FILM

TECHNICAL DATA SHEET

PRODUCT DESCRIPTION

STRANFLEX® prism Hand Film is a high-performance cast stretch film offering excellent stretch, puncture resistance, and cling. Designed for manual pallet wrapping, it enhances load visibility, security, and inventory control with vibrant tint and black or white opaque color options for quick identification and tamper evidence. Made in the USA.

APPLICATIONS

- Warehouses and distribution centers
- Manufacturing environments
- Ideal for cohesive branded packaging appearance
- Color-coded inventory systems
- High-value or sensitive shipments
- Theft deterrence and privacy protection
