

# MACHINE FILM

## TECHNICAL DATA SHEET

### PRODUCT DESCRIPTION

STRANFLEX® prism Machine Film is a cast stretch film optimized for high-speed automated wrapping, offering reliable stretch, puncture resistance, and cling. Ideal for fast-paced operations, it supports quick load identification and tamper evidence with tint and black or white opaque options. Individually boxed. Made in the USA.

### APPLICATIONS

- Warehouses and distribution centers
- Manufacturing environments
- Ideal for cohesive branded packaging appearance
- Color-coded inventory systems
- High-value or sensitive shipments
- Theft deterrence and privacy protection
