

## PRODUCT SPECIFICATION SHEET

## Nitrile Examination Gloves

Item No. INDBLN4SM (Small)

Item No. INDBLN4MD (Medium)

Item No. INDBLN4LG (Large)

Item No. INDBLN4XL (XL)

Item No. INDBLN42XL (XXL)

**Description:**

Exam-grade Nitrile Examination gloves provide the strength of synthetics and the flexibility of latex. They are powder- and latex-free and multi-use compliant\* suitable for medical and food service applications.

**Features & Benefits:**

- Strong and flexible
- Exam-grade
- Latex- and powder-free
- Ambidextrous
- Finger textured, beaded cuff

**Ideal for use in:**

- Healthcare, Hospitality, Food service, Cleaning, Automotive work, Cosmetology and more

**Intended Use in a Healthcare Setting:** Gloves are intended for medical purposes. They are worn on the examiner's hand to prevent contamination between patient and examiner.

**Caution:** Do not reuse. Reuse of gloves may cause cross-contamination and may affect product performance. If you experience a reaction while wearing this product, discontinue use immediately and consult your physician. Some components used in making this synthetic glove may cause allergic reactions in some users.
