POWER STEAM TO BUSINESS

THE POWERHOUSE STEAM CLEANER WITH UV FILTRATION AND VACUUM RECOVERY - GUARANTEED, YOU WON'T RUN OUT OF STEAM!

DISTRIBUTED BY

**BradyPLUS**

BradyPLUS.com + (877) 788-PLUS

## QUITE PRACTICAL

- 3 meter / 9.8 ft long hose
- Available with touchscreen
- Four swivel castors
- UVC light
- Extensive accessories & Accessory Box
- Tank Level Indicator for Water Tank

## STEAMING AHEAD WITH INNOVATION

The Blue Evolution XL+ performs several work steps in one: steaming, mopping and vacuuming. This saves companies up to 60 percent of the time that cleaning staff would need for conventional cleaning with a bucket and cloth. Another advantage: because the system works with hot dry steam, the cleaned surfaces are dry again immediately and there is no need for long machine downtimes.

BLUE EVOLUTION S+	TECHNICAL DATA	
DIMENSIONS (LxWxH)	72x38x93 cm	28x15x36.6 in
